

FROSTX · COMPACT

FrostX 10

Up to 10 kg suggested load · 5 trays · 0.94 m² shelf area. Compact, all-stainless tray freeze dryer with two-stage oil pump, thermal-matrix heating and touchscreen control. Value-tier workhorse for small businesses and serious home preservers. CE, 12-month warranty.

BATCH CAPACITY

10 kg

AVG. ENERGY USE

0.95 kWh / h

SHELF AREA

0.94 m²

APPLICATIONS

Freeze-Drying for Fruits & Vegetables

Freeze-Drying for Nutraceuticals & Supplements

CE marked

Built in EU

Why choose the FrostX 10

- ✓ **Deep-vacuum performance, all-stainless** — for food and nutraceutical producers who want serious vacuum capability in a simple, all-stainless machine.
- ✓ **Rectangular chamber — more shelf per volume** — a rectangular stainless chamber, uncommon at this size. Flat walls take full-width trays with no curved dead space, so more shelf area fits in the same chamber volume — more product per cycle.
- ✓ **Up to 10 kg suggested load** — 5 trays, 0.94 m² shelf area.
- ✓ **Deep vacuum, even drying** — two-stage vacuum pump with oil-mist separator, thermal-matrix heating shelves, refrigeration rated for continuous operation.

CAPACITY & OUTPUT

Suggested max load	10 kg
Total shelf area	0.94 m² (computed from trays × tray size)
Number of trays	5
Shelf spacing	5 cm
Tray size	40 × 47 cm

PROCESS & CYCLE

Defrost time	4 h
--------------	------------
